

REPLACE YOUR LOST TICKET(S)

If you need to replace your physical tickets, contact the box office up to one week before the concert. Replacement tickets requested within one week of the performance will be emailed as a digital PDF.

EXCHANGE YOUR TICKET(S)

Ticket exchanges are available the Friday before the concert day. You may request a different ticket of the same value for another qualifying performance in the 2023/24 season. Your request can be made by phone or email. Provide a photo of the tickets you wish to exchange and indicate which date and venue you would like to exchange into, along with your contact information.

The box office makes every effort to provide the best seating available, but comparable seats cannot be guaranteed. If tickets are exchanged for a higher priced ticket, the ticket holder will be required to pay the difference. There are no refunds or credits if the ticket is exchanged for a lower priced ticket. Ticket exchanges are free for subscribers. A \$5 exchange fee per ticket applies for non-subscribers. LACO accepts Visa, Mastercard, American Express, and Discover. Please do not email your credit card information.

DONATE YOUR TICKET(S)

If you are unable to attend a concert, you may donate your tickets by phone, fax, email, or mail. Donated tickets must be received by the Friday before the concert day for it to be considered a donation for the value of your tickets. (This amount is not applied to donor benefits and does not apply to special events.)

LATE SEATING

In consideration of artists and patrons, latecomers will be seated at a suitable break in the music before intermission.

DISABILITY ACCOMMODATIONS
